Time Table of Data Science Subjects provided by GSIS
Fall Semester 2017

2017/9/25

Category Coloring ➡ | Fundamentals of Data Sciences | Data Sciences I | Data Sciences II | Data Sciences III | Training Subjects

Slot	1st	2nd	3rd	4th	5th	6th
time	8:50-10:20	10:30-12:00	13:00-14:30	14:40-16:10	16:20-17:50	18:00-19:30
Monday			**Design and Analysis of Information Systems**【Mid Lecture Room 207】Lecture in English Materials in English			
Tuesday	**High-Performance Computing**【Mid Lecture Room 207】Lecture in English/Japanese Materials in English **Spatial Economics**【Lecture Room 412】Lecture in English Materials in English	**Computer Architecture**【Mid Lecture Room 207】Lecture in English/Japanese Materials in English		**Internet and Its Security**【Large Lecture Hall 206】Lecture in English Materials in English		
Wednesday						
Thursday		**Cryptology**【Large Lecture Hall 206】				
Friday	**Probabilistic Models**【Large Lecture Hall 206】Lecture in Japanese Materials in English	**Applied Intelligence Software**【RIEC-Main Building 153】	**Spatial Information Analysis**【Lecture Room 205 in Civil Eng Building】Lecture in Japanese Materials in English Civil Eng Building	**Data Science Basic**【5F Lecture Room】Lecture in English Materials in English		

Intensive Lecture	**Computer Science Fundamentals**	5 days intensive (3rd-5th slots will be used)
	Big Data Skill Up Training "Training of R and Python"	Schedule will be announced from DSP Office
