2016 Summer+ Program

NTU PlusAcademy

Welcome to NTU Alliance Universities

Plus Academy Summer+ programs enable students from all over the world to gain first-hand experience, college credits, and cultural exploration - all within an international setting based on academic and personal growth. Our programs give students the tools to succeed in diverse environments by encouraging travel, dialogue, and hands-on experiences in various fields of study. Look into each program and find the one that best fits your needs and interests.

Housing

Housing is provided for students on campus in our Shui-Yuan Dormitory, which offers single rooms (or double rooms) in a residential complex equipped with sports facilities and spacious common areas.

All-Inclusive Fees

Program fees include tuition, study materials, orientation, local tours, accommodation, cultural events, and insurance. We offer discounts for students from partner universities. Fees, eligibility and Application deadlines vary by program.

Our Advantages

- **Experienced and outstanding professors**
All courses are taught by experienced instructors and professors. We offer a variety of programs that meet the needs of students with different interests.
- **Well-trained student advisors**
Our student advisors will accompany you and provide support throughout the program.
- **A convenient location**
We are located in central Taipei : you can make the most of your summer in Asia.
- **Cultural field trips**
In addition to lectures, we provide cultural activities and field trips for all.

Scholarship opportunity

Full program fee waivers will be provided for selected applicants on +C2 and +C3 program. Applicants whose academic backgrounds are Chinese or East Asian Studies will be considered first.
